30,000 VOICES!

And Many Are The Voices of Hillsboro People.

Thirty thousand voices. What a grand chorus! And that's the number of American men and women who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it to the home papers. Hillsboro people are in this chorus. Here's a Hillsboro case.

Theodore Murphy, carpenter, Elm & Pleasant Sts., Hillsboro, Ohio, says: "I don't hesitate to recommend Doan's Kidney Pills, for they have always given me relief when I have had occasion to take them. A good many of my friends have used Doan's Kidney Pills with very beneficial results. I advise everyone to give them a good trial, for I know what they will do. I have had no reason to change my opinion of Doan's Kidney Pills since recommending them some years ago."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. adv

Obituary.

As morning dawned on Nov. 3, the sweet spirit of Lewis Howard Huff, left its clay tenement of suffering to be forever at rest. He died at St. Anthony Hospital, where he had been taken for treatment. All that medical aid and loving friends could do was done but to no avail. The dearest earthly ties must be severed.

Lewis Howard Huff, son of Mr. and Mrs. Newton M. Huff, was born July 13, 1901, died at East Columbus Nov. 3, 1913, aged 12 years, 3 months and 21 days. He leaves to mourn his loss father, mother, two brothers, one sister and many relatives. The funeral was conducted by Rev. Stafford, of the M. E. church, after which the casket laden with the finest of flowers was borne by six playmates, near his own age, to the beautiful cemetery at Gahanna.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
